Replacement Silicone Insert (for 204-111)	—	205-011
Silicone Instrument Lube	—	600-124

\*Ortho Organizers warrants *Endura Plus* Instruments to be free from material defects and craftsmanship for the life of the product. Cutters, benders, and utility pliers are guaranteed for three (3) years. This covers corrosion, joint failure, and breakage under normal use. Proper cleaning and maintenance is required to maintain the warranty. These orthodontic instruments are designed for use with steam autoclave. Steam autoclaves will not dull cutters. Other types of sterilizing methods include chemical vapor or dry heat.
